

## 40th Annual Idaho State Forestry Contest

2023 marks the 40<sup>th</sup> Idaho State Forestry Contest. The Idaho Department of Lands and Bonner Soil & Water Conservation District continue to co-sponsor this one-day event for Idaho's youth to learn about the forestry profession and forestry conservation practices through direct experience.

2022 saw exciting changes for the Forestry Contest as we moved the event to Farragut State Park to accommodate our growing attendance. We welcomed students from 7 different counties in Idaho and saw a resurgence in FFA teams attending! We hope to continue to grow the Forestry Contest to include as many new participants as possible. This could not be possible without the help of our donors.

We want to thank you for your generous contribution in previous years and ask that you consider contributing to this important educational event. As there are no entry fees for participants, we need over \$10,000 to cover the expenses of the Forestry Contest. Please make checks payable to "Bonner SWCD" with "Forestry Contest" on the memo line, and mail to:

Bonner SWCD  
1224 Washington Ave., Ste. 101  
Sandpoint, ID 83864

As a donor, your name appears on the banner displayed at the Contest, in the Forestry Contest brochure every student and volunteer receive the day of the Contest, in our newsletters that go out to over 200 people, and on both the Bonner SWCD and IDL websites. We appreciate your contribution, and the students appreciate the opportunity to learn from Forestry professionals. Attached please find the sponsorship levels available.

If you are interested in participating in the Career Fair at the Idaho State Forestry Contest, please contact Ken Homik at 208.267.5577 or [khomik@idl.idaho.gov](mailto:khomik@idl.idaho.gov) for more information and to reserve your space!

Sincerely,

*Sarah Garcia*
